Some information from a Chinese local:

Here are two hospitals near the campus and I went to before, and I saw foreigners there. You need to call to make reservation.

They charged much higher, compared to most of the public hospitals. I went there with my insurance. The first one charged 500RMB or 600RMB (I can't remember) as registration, the second one charges higher, they charged 1100RMB.

1) Shanghai East Hospital, VIP Department,
3rd Floor, 150 Jimo Road, Shanghai 200120, TEL 021-58822171

2) WorldPath Clinic International
5F, No. 399, North Nan Quan Road.
Tel 021-20207888

Appendix 3b - Clinics, Hospital, and Providers (MSH Plan)
